## Cookie Policy

Effective Date: September 19, 2025

Version: 1.0

At Stallo, we like to keep things simple.

We do not use cookies, pixel trackers, or other technologies to track you across the web.

---

## No Cookie Banners Here

Because we don't set any cookies (other than strictly necessary technical ones from our hosting provider), there's no need for a cookie banner or consent pop-up.

---

## What We Do Collect

We still receive some technical information when you visit our site – for example:

- IP address
- Browser type
- Basic usage statistics

This is used only for security, performance monitoring, and to keep our service running smoothly.

For details, see our [Privacy Policy](<https://legal.stallo.ai/documents/legal/privacy-policy/>).
